👉Niciun episod viral nu este întâmplător, în spatele fiecăruia stă un scenariu bine construit, cu un hook puternic, tensiune și ritm care te prinde din primele secunde... [See more](#)

It's show time! 🎬

I wonder what is possible for a week in terms of movies? Let's go see!

[MILAP 2025](#) reaches a special moment: the presentation of the AI-assisted film after an intense workweek.

We are waiting for you on Monday, December 22, at 15:00, at [Mediacor](#) for the premiere of the movie.

There will be a moment of discovery, discussions and questions addressed directly to the MILAP team. Free of charge.

See you soon and we look forward to seeing you!

We love Heidi Hornbacher – acesta ar fi cel mai scurt și sincer rezumat al acestei săptămâni la Mediacor!... [See more](#)

We love Heidi Hornbacher – this would be the shortest and most sincere summary of this week at Mediacor!

By arriving at Chisinau, Heidi managed to bewitch every person in the rooms she was in. Whether it is the professionals from [MILAP](#) students from [Mediacor](#) or [Universitatea Pedagogică de Stat „Ion Creangă” din Chișinău](#) or the creative community gathered on Wednesday at the [Academia de Muzica Teatru și Arte Plastice \(AMTAP\)](#) meetup.

It was a meeting with a creative energy that could almost be cut with a knife, so densely and intensely discussed ideas, scenarios, questions and scenario dilemmas.

We are extremely grateful to the universe and to [Innovate Moldova](#) for making her visit to Moldova possible. We would definitely have something to learn from her and create with Heidi in the future. We just need to create these contexts and work towards their realization.
